

Comprehensive Fastener Exhibition with Max Return for Fastener Industry

Driven by positive market trend, over 800 exhibitors will booked their booths at International Fastener Show China in Shanghai on June 22-24, 2020.

The organization committee of International Fastener Show China has announced that International Fastener Show China will take place from 22 to 24 June 2020 in hall 1 and hall 2 at Shanghai World Expo Exhibition and Convention Center (SWEECC) in Shanghai China, providing a great networking opportunity for experts, buyers and sellers in the industry.

SWEECC is considered as the primary choice for the professionals of first-class international events and located on the east riverside of the Huangpu River,

west of the Shanghai World Expo Axis, is adjoined with the China Pavilion, Performance Centre and Expo Centre by the Expo Axis. The convenient transportation results from SWEECC's excellent location connected by the over-river thoroughfares, such as: Nanpu Bridge, Lupu Bridge, Dapu Tunnel, Shangnan Rd. and Yaohua Rd.. SWEECC is in the area which is surrounded by dozens of bus stations. The through metro line 7, 8 that starts at Yaohua station will take you to the destination as well.

More than 800 exhibitors will exhibit in International Fastener Show China from several countries and regions including Germany, Italy, China, USA, South Korea, Japan, UK, Taiwan region and Hongkong region, and booths are still available. With such a wide range of exhibitors, this unique fair attracts professional visitors from the automotive, agricultural, aerospace, hardware, construction and civil engineering sectors, some being major users of fasteners and fastener distributors. As many as 36,000 visitors from 58 countries were seen at the 2019 edition ended with positive and active results, and the number of visitors will be expected to rise in 2020. They included global professionals such as famous distributors Bossard, Wurth, Brighton Best International, Argip, EFC and etc., car manufacturers Ford, Toyota, Tesla, Bentley, GM, Buick, Cadillac, as well as the China Eastern Airlines and State Railways.

The 2020 edition, the organization committee of International Fastener Show China spares all effort to attract wider exhibitors who are professional in fastener product, fastener technology, and related experts to present latest technology, products and management during three-day show. It is continue to maintain good development that International Fastener Show China will attract 800 exhibitors from 10 countries and regions with 2000 standard booths

covering 42, 000 square meters. Comparing with the 2019 edition, it will offer 30 concurrent events which focus on global and national fastener market trend, technology lectures, fastener purchaser meeting, fastener industry summit and etc.
