2021 China Fastener Show Online, supported by [www.chinafastener.com](http://www.chinafastener.com), will be held from April 12 to 16. It is expected that more than 300 exhibitors, 1,000 international buyers and 30,000 visitors will participate in the show.

Making full use of 17-year experience in B2B platform operation and 12-year experience in Fastener Expo Shanghai, [www.chinafastener.com](http://www.chinafastener.com) devotes all efforts to link the needs of upstream and downstream enterprises at home and abroad.

### **Highlights of China Fastener Show**

#### **1 on 1 Purchase Meeting**

The 1 on 1 Purchase Meeting connects international buyers and Chinese fastener suppliers without space limitation. A professional customer service team will coordinate the meetings to help buyers find qualified suppliers efficiently.

#### **5 Days Around the Clock Visiting**

China Fastener Show Online provides all-weather data exhibition hall, live video, real-time negotiation, supply and procurement connection, real-time transaction, online activities to present company's information and combine resources. By this means, a link connecting demand and supply is built.

Without traveling, costs are greatly reduced. 9 days around the clock communication online break the limitation of time and space.

#### **Cloud Factory Visiting**

During this period, some world renowned enterprises will show you around their factories. You will see how they work, what equipment they use, and how they manage such a big company.

#### **Technology Sharing**

Multiple series of technology sharing will be held too. World class experts are invited to China

Fastener Show (Online) to share the latest technology.

It is an online show that you can't miss it!
