

METALWORKING. METALLURGY – 2023

The 16th exhibition of state-of-the-art technology, equipment and materials for mechanical engineering and metalworking industry, welding, preparatory and foundry production.

September 26th-29th, 2023

Organizer: ProExpo (VO Permskaya Yarmarka LLC), member, Russian Union of Exhibitions and Fairs, member, UFI (the Global Association of the Exhibition Industry).

Official support and partners: Ministry of Industry and Trade of the Russian Federation, Ministry of Industry, Innovation and Science of the Perm Region, Chamber of Commerce and Industry of the Russian Federation, Ural Chamber of Commerce and Industry, Rostec Corporation

Main areas:

- products of machine-building enterprises for industrial applications,
- metalworking equipment,
- instrumentation,
- grease and lubricating fluids,
- protection equipment,
- laser equipment,
- welding equipment and materials,
- foundry equipment,
- Raw materials and supplies for metallurgy
- Refractories and industrial ceramics
- generator and compressor equipment,
- heating equipment,
- molding technologies, equipment, and materials
- tooling, components and materials,
- **NEW** trade-in

Reaching out to professional visitors:

- A time-tested system of personal invitations to top managers and key staff of industrial enterprises from the Urals and Volga regions;
- Arranging corporate exhibition attendance by professionals from major industrial enterprises of the Perm Region;
- Arranging one-on-one meetings with CEOs of regional mechanical engineering enterprises at the exhibition venue, the so-called Business Contacts Exchange;
- An extensive business program having relevance for top managers and key staff of the mechanical engineering industry, representatives of government agencies and academia;

Previous exhibition summary:

- 146 companies exhibited
- 3440 professionals from Volga and Ural enterprises visited the exhibition;

We invite you to participate in the exhibition "Metalworking. Metallurgy – 2023

We will be happy to inform you on the participation terms and provide other relevant details
