

Visitors registration to the ExpoCoating Moscow 2026 is open!

The exhibition will be held on October 19-21, 2026 at the Crocus Expo IEC – schedule a visit to the exhibition and get e-ticket!

ExpoCoating Moscow is Russia's key specialized international exhibition of materials and equipment for surface treatment, coating and electroplating industries.

Exhibition profile:

- Electroplating equipment
- Protective coatings and materials
- Coating equipment
- Equipment and materials for surface treatment
- Equipment and materials for wastewater treatment, air purification and waste disposal

This year ExpoCoating Moscow will be attended by leading manufacturers and developers of equipment and materials for electroplating, coating and surface treatment from Russia and other countries. Visiting the exhibition will allow specialists to get acquainted with a wide range of materials and equipment for surface treatment, coating and electroplating, to personally test devices and compare their technical characteristics, to get expert advice at the stands and to attend the events of the business programme.

Electronic visitor registration is now open. Get a free e-ticket to visit the exhibition using the **promo code fastinfo**: <https://www.expo coating-moscow.ru/en-GB/visitors/e-ticket.aspx?promo=fastinfo>
